[Announcer]: Behind this label is a shameful story of political prisoners and forced labor camps, of wages as low as

13 cents an hour, of a country that routinely violates

trade rules flooding our markets draining American jobs. Now Congress is set to scrap its annual review of China's record and

reward China with a permanent trade deal. Tell Congresswoman Myrick

to vote "No" and keep China on probation until this label

stands for fairness. [DIS]: Paid for by the AFL-CIO.

[Announcer]: The people of America should be running our government. That's the way it was set up in the first place.

The problem is the special interests and the paid lobbyists who control

the Washington politicians. The answer is term limits. Term limits

replace Washington insiders with new people who reflect community

Interests, not politics as usual. Molly Bordonaro has signed

the pledge to limit her terms in Congress. David Wu refused. Call David Wu

and tell him to sign the US Term Limits Pledge.

[Announcer]: Twenty-two years ago, Pat Walykow founded this business and guided it through some tough times.

Now it provides a living for thirty-five families. Pat

wants to leave her companies to her daughters but because of death taxes, she won't be

able to. Debbie Stabenow voted twice against ending the death tax.

Now if anything happens, the family will have to sell this business

and maybe their home. [Walykow]: "We've all worked too hard to see this go the the government.

Tell Debbie Stabenow to end the death tax. Working families are suffering."

[Announcer]: America was outraged when two New Jersey teenagers checked into a Delaware hotel and delivered and exposed of

their newborn baby in a dumpster. Most Americans couldn't believe that

this defenseless human life could be so coldly snuffed out. But incredibly, if a doctor

had been present that day in Delaware and delivered the infant, all but one inch from full

birth and then killed him it would have been perfectly legal.

Instead of murder or manslaughter, it would have been called a partial-birth abortion.

Killing late in the third trimester, killing just inches away

from full birth. Partial-birth abortion puts a violent death on thousands of babies

every year. Your Senators, Russ Feingold and Herb Kohl

[Announcer]: There's a nursing home crisis in America. Despite record budget

surpluses Medicare has been cut by billions.

Seniors' access to quality nursing home care threatened.

[Woman]: "Caring for the elderly: it becomes your life.

But with Medicare cuts my job is much harder." [Announcer]:

Call. Tell Al Gore to fight to restore the Medicare cuts.

Keep the promise. [Woman]: "Help me help those who need it the most."
