(Announcer): The people of America should be running our government. That's the way it was set up in the first place.

The problem is the special interests and the paid lobbyists who control

the Washington politicians. The answer is term limits. Term limits

replace Washington insiders with new people who reflect community

interests, not politics as usual. Molly Bordonaro has signed

the pledge to limit her terms in Congress. David Wu refused. Call David Wu

and tell him to sign the US Term Limits Pledge.

[Announcer]: Behind this label is a shameful story of political prisoners and forced labor camps, of wages as low as

13 cents an hour, of a country that routinely violates

trade rules flooding our markets draining American jobs. Now Congress is set to scrap its annual review of China's record and

reward China with a permanent trade deal. Tell Congresswoman Myrick

to vote "No" and keep China on probation until this label

stands for fairness. [DIS]: Paid for by the AFL-CIO.

[Melanie]: "My mom started this business and my brother and I worked hard to make it grow.

One day we hope to own it but because of the law, we can

never be sure." [Announcer]: Because of the Death tax, people like Melanie

are always at risk of losing family businesses. Debbie Stabenow

voted twice against getting rid of the Death tax.

[Melanie]: "Everything we have worked for can be taken away in an instant and that's not fair."

[Announcer]: Call Debbie Stabenow. Tell her our working families need a break.

[Announcer] It's almost too much to swallow. Year after year the federal government takes a bigger piece of the pie.

In fact in 1998 we'll pay more in federal taxes than at any time in American

history except for World War II. And now with the budget surplus,

in thirty years all the Washington politicians can talk about is getting their hands

on more of your dough. Call Harry Reid and John Ensign tell them no matter who

goes to Washington you want them to cut your taxes. Otherwise they'll be

nothing left but the crumbs.
